

### **Valuing diversity and promoting equality**

**La Petite Ecole Bilingue is an independent, fee paying school and therefore will ensure that the needs of all children who attend it are met, particularly those that arise from their ethnic heritage, social and economic background, gender, ability or disability. The school is committed to anti-discriminatory practice to promote equality of opportunity and values diversity for all children and families. We will:**

- Provide a secure and accessible environment in which all our children can flourish and in which all contributions are considered and valued;**
- Include and value the contribution of all families to our understanding of equality and diversity;**
- Provide positive non-stereotyping information about gender roles, diverse ethnic and cultural groups and disabled people;**
- Improve our knowledge and understanding of issues of anti-discriminatory practice, promoting equality and valuing diversity; and**
- Make inclusion a thread that runs through all of the activities of the setting.**

## **Procedures**

### **Admissions**

Our school is open to all members of the community who choose to send their children to a fee paying bilingual school.

We "advertise" our service widely (in a non-competitive manner).

We reflect the diversity of our society in our publicity and promotional materials.

We provide information in clear, concise language, whether in spoken or written form.

We provide information in as many languages as possible, as appropriate to demand.

We base our admissions policy on a fair system.

We ensure that all parents are made aware of our equal opportunities policy.

We do not discriminate against a child or their family, or prevent entry to our setting, on the basis of colour, ethnicity, religion or social background.

We ensure wherever possible that we have a balanced intake of boys and girls in the setting, reflecting demand.

We take action against any discriminatory behaviour by staff or parents. Displaying of openly discriminatory and possibly offensive materials, name calling, or threatening behaviour are unacceptable on or around the premises and will be dealt with in the strongest manner.

## **Employment**

Posts are advertised and all applicants are judged against explicit and fair criteria.

Applicants are welcome from all backgrounds and posts are open to all.

We may use the exemption clauses in relevant legislation to enable the service to best meet the needs of the school.

The applicant who best meets the criteria is offered the post, subject to references and checks by the Criminal Records Bureau. This ensures fairness in the selection process.

All job descriptions include a commitment to promoting equality and recognising and respecting diversity as part of their specifications.

We monitor our application process to ensure that it is fair and accessible.

## **Training**

We seek out training opportunities for staff to enable them to develop anti-discriminatory and inclusive practices, which enable all children to flourish.

We ensure that there are staff confident and fully trained in administering relevant medicines and performing invasive care procedures when these are required.

We review our practices to ensure that we are fully implementing our policy for promoting equality, valuing diversity and inclusion.

## **Curriculum**

The curriculum offered in the school encourages children to develop positive attitudes about themselves as well as to people who are different from themselves. It encourages children to empathise with others and to begin to develop the skills of critical thinking.

Our environment is not as accessible as possible for all visitors and children. Access to the school is found to treat disabled children or adults less favourably therefore we make reasonable adjustments to accommodate the needs of disabled children and adults. We do this by:

- Making children feel valued and good about themselves;
- Ensuring that children have equality of access to learning;
- Undertaking an access audit to establish if the setting is accessible to all children.
- Making appropriate provision within the curriculum to ensure each child receives the widest possible opportunity to develop their skills and abilities, e.g. Recognising the different learning styles of girls and boys;
- Positively reflecting the widest possible range of communities in the choice of resources;
- Avoiding stereotypes or derogatory images in the selection of books or other visual materials;
- Celebrating a wide range of festivals;
- Creating an environment of mutual respect and tolerance;
- Differentiating the curriculum to meet children's special educational needs;

- Helping children to understand that discriminatory behaviour and remarks are hurtful and unacceptable;
- Ensuring that the curriculum offered is inclusive of children with special educational needs and children with disabilities;
- Ensuring that children learning English or French as an additional language have full access to the curriculum and are supported in their learning; and
- Ensuring that children speaking languages other than English or French are supported in the maintenance and development of their home languages.

### **Valuing diversity in families**

We welcome the diversity of family lifestyles and work with all families.

We encourage children to contribute stories of their everyday life to the school and we encourage parents/carers to take part in the life of the setting and to contribute fully.

For families who speak languages in addition to English or French, we will develop means to ensure their full inclusion.

### **Food**

We work in partnership with parents to ensure that the medical, cultural and dietary needs of children are met.

We help children to learn about a range of food, and of cultural approaches to mealtimes and eating, and to respect the differences among them.

### **Meetings**

Meetings are arranged to ensure that all families who wish to attend may be involved.

Information about meetings is communicated in a variety of ways - written, verbal and where possible in translation - to ensure that all parents have information about and access to the meetings.
