

We comply with statutory legislation, health and safety regulations and the Welfare Requirements of the EYFS in making our setting a no-smoking environment - both indoor and outdoor.

The school is aware of its responsibilities towards the health, safety and welfare of children, parents and employees whilst on the premises and has therefore adopted a non-smoking policy within its buildings and grounds.

No Smoking signs are displayed on the premises.

Staff members are not allowed to smoke when on duty.

Staff members who smoke are requested not to smoke in front of the school building nor in the immediate vicinity of the building.

The staff members are vigilant to ensure no visitors or members of staff disregard the rule.
